1 Introduction

This manual describes how to use **Courtify**, a web-based sports court booking and management platform for players, court owners, and administrators.

1.1 System Access

Open a modern browser and navigate to: **https://courtify-platform.vercel.app**

1.2 User Roles

Role	Primary Actions
Player (User)	Browse & book courts, matchmaking, reviews, favourites, chatbot
Court Owner	Register & manage courts, approve bookings, revenue reports
Administrator	Approve courts, manage users, platform statistics
Guest	Browse courts, use chatbot (limited)

---

2 Getting Started

2.1 Landing Page

- Search courts by location or sport
- View featured courts
- Access AI Chatbot (floating widget)
- Learn how Courtify works

2.2 Register and Login

1. Click **Login/Register** on the navigation bar.
2. Select your role (**Player** or **Court Owner**).
3. Fill in required details (Username, Email, Password, Phone, Gender).
4. Submit and then login with your credentials.

2.3 Profile

- Go to **Profile** in the user menu.
- Update personal information and profile picture.

---

3 Court Discovery

3.1 Browse Courts

- Use search and filters (location, sport type, price, etc.).
- Only **admin-approved** courts are visible.

3.2 Court Details

- Click any court card to see:

---

8 Support & Troubleshooting

Common Issues:

- **Login problems** → Check credentials / reset password.
- **Court not visible** → Waiting for admin approval.
- **Slot not available** → Already booked or outside operating hours.
- **Payment failed** → Check Stripe / card details.
- **Chatbot slow** → Wait a few seconds (first response may take time).

Need Help?

- Use the **AI Chatbot** first.

- Contact support through the platform.
